PRESIDENTS' MEETINGS

- WHEREAS: The April 2005 Caucus agreed to hold quarterly Presidents' meetings to ensure that the rank and file is made aware of pressing issues in a more timely manner; and
- WHEREAS: In the case of the last two Presidents' meetings, the Coast Committee found it necessary to call these meetings together with relatively short notice; and
- WHEREAS: Air travel and other expenses are often increased with last minute reservations; and
- WHEREAS: These expenses put a tremendous burden on the individual members in the small locals within our Division; and
- WHEREAS: Due to this financial burden, some locals have decided not to be represented at these Presidents meetings; THEREFORE BE IT
- RESOLVED: That when a Presidents' meeting is called, expenses and wages of local presidents shall be divided pro-rata among the locals of the Division.
